The length of time you rent the same vehicle must not exceed forty-eight (48) consecutive days, which shall follow one immediately after the other. In order to break the consecutive-day cycle, a full calendar date must exist between rental periods. Coverage may not be extended for more than forty-eight (48) consecutive days by renewing or taking out a new rental agreement with the same or another rental agency for the same vehicle or another vehicle.

Who can be insured?

Coverage is available for the following covered persons who are permanent residents of Canada and are either:

You may use your Avion points to pay for the entire cost of the rental, including all applicable taxes and fees, from a rental agency. If only a partial payment is made using Avion points, the remaining balance of that rental, including applicable taxes and fees, must be paid using your RBC Cash Back Preferred World Elite Mastercard card in order to be covered;
- you use your RBC Cash Back Preferred World Elite Mastercard card to fully pay for a car sharing rental vehicle;
- you decline the rental agency's CDW option or similar coverage offered by the rental agency on the rental agreement. If there is no space on the vehicle rental agreement for you to indicate that you have declined the coverage, then indicate in writing on the contract "I decline CDW provided by this merchant." Note: if there is no option available to decline this coverage, this [Certificate of Insurance](#) will only cover up to the deductible as stipulated in the rental agency's CDW or similar provision.
